

San Manuel Band of Mission Indians Renews Platinum Sponsorship (more)...

CCPG is proud to announce that the San Manuel Band of Mission Indians has renewed its sponsorship with CCPG at the Platinum Level of \$25,000.

In 2007, San Manuel's Vice Chairman Vincent Duro called for a partnership with CCPG to help mitigate the negative effects gambling has on a small percentage of people. Duro believed that San Manuel should be prepared to help address these issues.

Again last year at the 22nd National Conference on Problem Gambling, San Manuel Chairman, James Ramos, voiced the concerns his tribal government has about addiction, stating that "even one problem gambler is too many."

CCPG Executive Director, Bruce Roberts, said "We are more grateful for San Manuel's sponsorship this year than others because it will help us continue our programs, without interruption, during very difficult economic times."
